SMALL GESTURES FOR SUSTAINABLE ACTION

*By placing the towels to be changed in the bathtub or shower
and suspending the linen to be reused, you will help save
6 litres of water with each sorted towel*

*By setting the temperature to 20°C during the night,
we all save the equivalent of Marseille's
electricity consumption in one year*

*By turning off the lights when leaving your room,
we save 5 days of electricity over a year*
